

## Halfpipe, Slopestyle & Big Air Snowboard World Cup Selection Criteria 2022-23

### Eligibility for Consideration:

U.S. Ski & Snowboard will consider for selection only those U.S. Ski & Snowboard members in good standing who have a valid U.S. passport, a valid USA-coded FIS license, and who meet FIS minimum eligibility standards.

U.S. Ski & Snowboard provides an equal opportunity to amateur athletes, coaches, trainers, managers, administrators, and officials to participate in amateur athletic competition, without discrimination on the basis of race, color, religion, age, sex, gender identity or national origin, and with fair notice and opportunity for a hearing before declaring any such individual ineligible to participate.

### Criteria Guidelines:

- U.S. Ski & Snowboard policy mandates that team selection criteria shall be principally objective (or performance-based)
- The Discipline Head Coach is responsible for applying the selection criteria set forth herein
- The team selected by U.S. Ski & Snowboard may consist of any number of athletes up to the FIS World Cup quota for the United States.
- The quota of start rights per nation is set annually by the FIS.
- U.S. Ski & Snowboard will determine, at its discretion, the specific gender totals up to the 10 athletes total, max of 6 per gender quota allocation. Host Nation spots and personal spots are not impacted by the max team size set for Nations Spots.
- Athletes must meet the minimum FIS/WSPL point requirement for entry into any World Cup.

**DISCRETIONARY SELECTIONS**

Athletes who have not met the Objective Criteria may be selected to the team based on a variety of factors, including competitions outside of the selection period, and/or they satisfy any of the following:

- Outstanding competition results from the 2020/2021 and 2021/2022 seasons, indicating a potential for success.
- Recent positive direction or trend of competition results indicating a potential for success.
- Indication of medal potential in future elite level competition (such as international age group results and age rankings) that would be materially enhanced by selection to the team.

All discretionary selections will be reviewed by a discretionary selection review group comprised of the U.S. Ski & Snowboard Sport Director, the U.S. Ski & Snowboard Chief of Sport, and the athlete representative from that sport who is a member of the U.S. Ski & Snowboard Board. If the U.S. Ski & Snowboard Board Athlete Representative is also a currently competing athlete then another athlete, who is not actively competing, will be selected by the Athletes' Council to be the representative in this group.
