## **DEAR GOLD PASS MEMBER:**

Thank you for your support of the 2022-23 Gold Pass, which grants you direct-to-lift access to many participating resorts through innovative technology pioneered by the ski resort industry. The Gold Pass program raises over \$5 million annually to support U.S. Ski & Snowboard team athletes as they strive to be the Best in the World.

Your support of this program allows athletes to train with the best support staff, compete at top competitions around the globe and access the highest level of sport science and medicine. You are part of the team behind the team!

During the 2022-23 season, over 200 resorts in 34 states will honor the U.S. Ski & Snowboard/National Ski Areas Association (NSAA) Gold Pass. This is truly the ultimate lift pass, making it convenient for you to ski or snowboard when and where you want.

October 1, 2022

U.S. Ski & Snowboard and NSAA thank you for your contribution to our nation's athletes. We hope you enjoy your winter season and are able to experience many different resorts with your exclusive Gold Pass.

## **USE OF THE GOLD PASS**

The Gold Pass is transferable and may be used by anyone the owner designates. It is understood that everyone who uses the Gold Pass is aware of the rules and procedures for using it. Any abuse of these rules and procedures will result in the Gold Pass becoming invalid, with no restitution to the owner.

# RULES

- 1.** Access may be limited or unavailable due to COVID-19 and is subject to capacity limitations, reservation policies, closures, or any other restrictions in effect at time of redemption.
- 2.** The Gold Pass may be used by only one person per day at participating ski areas. At many ski areas, members may scan their Gold Pass at the lift for direct access to the mountain. At ski areas where direct-to-lift access is not available, bearer will be issued a one-day lift ticket valid for all lifts. Bearer may obtain one lift ticket at only one ski area per day.
- 3.** The issued lift ticket is non-refundable and, under no circumstances can it be given away or sold. Misuse of the Gold Pass will result in the pass being revoked.
- 4.** The Gold Pass may be used 50 times per season at each of the participating ski areas.
- 5.** The Gold Pass may not be commercialized in any way, such as being offered as a bonus in connection with the rental of accommodations.
- 6.** The Gold Pass may not be resold to another individual.
- 7.** The Gold Pass will not be honored for summer activities.

## **PASS PURCHASERS AND PROGRAM PROCEDURES**

Gold Passes may be obtained through the office of the U.S. Ski & Snowboard Foundation, the nonprofit fundraising arm of the U.S. Ski & Snowboard. Gold Passes are granted on a first-come, first-serve basis. To donate for a Gold Pass, direct all inquiries to:

### **Steven Perelman**

*Senior Director Commercial & Philanthropic Partnerships  
U.S. Ski & Snowboard Foundation*

**[steven.perelman@usskiandsnowboard.org](mailto:steven.perelman@usskiandsnowboard.org)  
or mobile +1.916.955.4391**

Each pass is numbered for control purposes and recorded on a master list of pass owners, which is then sent to the participating ski areas' ticket offices.

## **BAR CODING**

Many ski areas will feature bar coding for the Gold Pass. At these resorts, you'll need to have the pass that has the bar code on the back and go directly to the base lift ticket checker for scanning.

## **RFID SCANNING**

Many ski areas will allow RFID scanning for the Gold Pass. At these resorts, you'll need to have your pass which contains a radio frequency identification tag to open the access gate.

## **LOSS OF PASS**

**IF YOUR GOLD PASS IS LOST, IMMEDIATELY NOTIFY:**

### **Steven Perelman**

*Senior Director Commercial & Philanthropic Partnerships  
U.S. Ski & Snowboard Foundation*

**[steven.perelman@usskiandsnowboard.org](mailto:steven.perelman@usskiandsnowboard.org)**

**or mobile +1.916.955.4391**

If your Gold Pass is lost at a ski area, please immediately contact the ski area's ticket office. The U.S. Ski & Snowboard Foundation will issue a replacement Gold Pass with new numbers upon receipt of \$100, which covers the replacement cost. If the new replacement pass is then lost, there will be a \$500 charge for another pass. A lost Gold Pass is an inconvenience to the pass owner, the U.S. Ski & Snowboard Foundation and the members of the National Ski Areas Association. We recommend that special care be taken for safekeeping of your Gold Pass, as a replacement pass could take several weeks to receive.
